*Utilities Plan*

In accordance with Washington City Zoning Ordinance 29-2-103(3), the utility plans designate the location of main lines for culinary and irrigation water, sewer, natural gas, electric, and phone services.

The Utility Plans, including Drainage, Transportation, Irrigation Water, Culinary Water, Sewer, Natural Gas, Telephone, Cable, Television, and Power have been master planned for the entire project. They will be submitted in a separate submittal as Master Plans.
