FIRST AMENDMENT TO DECLARATION OF COVENANTS,

CONDITIONS, RESTRICTIONS, AND EASEMENTS

FOR SIENNA HILLS

THIS FIRST AMENDMENT TO DECLARATION OF COVENANTS, CONDITIONS, RESTRICTIONS, AND EASEMENTS FOR SIENNA HILLS (the "Amendment") is executed this 3rd day of March 2010, by THE STATE OF UTAH, ACTING THROUGH THE SCHOOL AND INSTITUTIONAL TRUST LANDS ADMINISTRATION ("Declarant").

RECITALS

A. Declarant is the owner of certain real property located in Washington County, Utah that is subject to that DECLARATION OF COVENANTS, CONDITIONS, RESTRICTIONS, AND EASEMENTS FOR SIENNA HILLS (the "Declaration") recorded with the office of the Washington County Recorder on January 27, 2006, as Entry No. 00999848.

B. Pursuant to the authority in Section 14.2.1 of the Declaration, Declarant now desires to amend the Declaration.

NOW, THEREFORE, Declarant hereby declares, covenants and agrees as follows:

1. *Section 5.3.8 is deleted in its entirety and replaced with the following:*

5.3.8 Antennas and Dishes; Solar Devices. The following devices for the reception or transmission of radio or television broadcasts or other means of communication shall be permitted on a Lot or an Improvement thereon: (a) a satellite dish designed to receive direct broadcast satellite services, including direct-to-home satellite services, that is one meter or less in diameter; (b) a satellite dish designed to receive video programming services via multipoint distribution services, including multi-channel multipoint distribution services, instructional television fixed services, and local multipoint distribution services, that is one meter or less in diameter; (c) an antenna that is designed to receive television broadcast signals; or (d) any antennas not described herein that are specifically covered by 47 CFR Part 1, Subpart S, Section 1.4000 (or any successor provision) promulgated under the Telecommunications Act of 1996, as amended from time to time (collectively, the antennas and dishes described herein will be referred to as the "Permitted Antennas"). No other television, radio, or other electronic towers, aerials, antennas, satellite dishes or device of any type for the reception or transmission of radio

or television broadcasts or other means of communication shall hereafter be erected, constructed, placed or permitted to remain on any Lot or upon any Improvements thereon.

To the extent such requirements would not unreasonably delay installation, would not unreasonably add to the cost of installation, maintenance or use, and would not impair the reception of an acceptable quality signal: (a) the Permitted Antennas shall be installed in a side or rear yard location, not Visible From Neighboring Property, or will be integrated with the Residence and surrounding landscaping to prevent or limit visibility; (b) any exterior wiring shall be hidden from view as much as is reasonably possible, shall be black or shall be painted to blend into the surrounding materials; (c) and any satellite mounting brackets or arms shall not exceed three feet in length. Permitted Antennas shall be installed per applicable laws and regulations.

The Association shall be empowered to establish reasonable, non-discriminatory restrictions relating to location and safety of the Permitted Antennas, provided those rules do not conflict with the requirements in this Declaration, Section 207 of the Telecommunications Act of 1996, FCC regulations, or other applicable law.

Notwithstanding the foregoing, nothing herein shall limit the placement of antennas, microwave reception or communication equipment, fiber optic facilities, or other such equipment which Declarant may approve.

No solar heating or cooling equipment or other visible solar device may be installed or erected without approval of the Reviewing Authority, which shall give due regard to state law restricting the limitation of such devices. To the extent permitted by law, any such equipment installed on a Dwelling Unit or on a Lot shall be designed to integrate into the architecture of the Improvements upon the Lot, or into the Dwelling Unit, and shall not detract from the aesthetics of the Improvements.

2. *Sections 8.6.1 and 8.6.2 are deleted in their entirety and replaced with the following:*

8.6 Obligation of Developer Owner.

8.6.1 Fifty Percent Reduced Rates for Developer Owners. Subject to the provisions of Section 8.19 hereof, the Developer Owner of a Lot or Parcel, including a Non-Residential Parcel, is entitled to pay only 50% of the otherwise applicable Annual or Special Assessment for the Lot or Parcel owned, until the earlier of:

(a) the initial conveyance or rental of a Dwelling Unit on the Lot to the first Non-Development Owner thereof, or, in the case of an Apartment Parcel, the date of completion of construction of Apartments thereon, or the date of completion of construction of a Condominium building thereon in the case of a Condominium Parcel, or

the date of completion of construction of a Non-Residential or Mixed Land Use building thereon in the case of a Non-Residential Parcel or Mixed Land Use Parcel; or

(b) twelve (12) months after the date of the initial conveyance of the Lot or Parcel from Declarant to the first Developer Owner thereof.

8.6.2 *Reserved*

3. *Section 15.2 is deleted in its entirety and replaced with the following:*

15.2 Communications Services Agreement. The Association has entered into and is bound by that certain Community Association Communications Services Agreement (the "Communications Agreement") by and between the Association and Broadweave Networks of St. George, LLC ("Broadweave"), which provides that, to the extent permitted by law, Broadweave shall be the exclusive provider of certain communications services to Residential Owners and Occupants within the Covered Property. Pursuant to the Communications Agreement, Broadweave shall provide certain services as provided in the Communications Agreement, including internet and telephone service, to each Residential Owner within the Covered Property, and each Residential Owner shall be obligated to pay Broadweave for such services, regardless of whether such Owner actually uses or subscribes to such services. Broadweave shall bill each Residential Owner directly for the costs of the services. Should a Residential Owner fail to pay Broadweave for the services, such charges shall be assessed against such Owner's Lot, subject to the lien rights of the Association pursuant to Section 8.1 of this Declaration.

Each Residential Owner shall have the option, but not the obligation to contract with Broadweave to provide additional communications and/or media services.

Residential Owners may, to the extent available, obtain any services, including those provided by Broadweave, from a provider other than Broadweave, provided that such Owner shall not thereby be relieved of its obligation pursuant to the Communications Agreement and this Declaration to pay the charges to Broadweave.

The provisions of the Communications Agreement, as it may be amended from time to time, shall control in the event of any conflict with the terms hereof, and each Owner is deemed to be fully aware, advised and cognizant of the terms and provisions of the Communications Agreement and any amendments thereto, copies of which are available from the Association upon request.

IN WITNESS WHEREOF, Declarant has caused this Amendment to be duly
executed on the date set forth in the first paragraph herein.
